

- Important Information -

For obtaining timely payments and remaining a "Green" supplier.

■ ASNs – Advanced Shipping Notices, DESADV (856)

- Veoneer expects to receive an ASN within 60 minutes of product shipment from the suppliers dock. If your company is not setup as an EDI trading partner with the Veoneer Americas, you are expected to send an ASN from Veoneer's Supplier Website. (Veoneer Americas = US, Canada).

■ The DELFOR (830) is a Forecast NOT a Shipping Schedule

- You are authorized to build only to this forecast.

■ The DELJIT (862) is a Shipping Schedule or the Shipping Authorization document

- You are authorized to ship against the RAN – Release Authorization Number

■ Supplier Performance

- We calculate supplier performance by the receipt of the ASN not receipt of the product on the dock at Veoneer.
- **No ASN or Late ASN = 0% performance**
- This is not a shipping schedule
