

Menu Option - 862/DELJIT

862 - View Releases

862

Allows you to view firm releases that have been issued which still have an open quantity. ASNs can also be created using the 862 menu option. ASNs are created using a RAN (Release Authorization Number) that is assigned on the 862.

Enter your supplier id in the 'Supplier ID' field at the top of the screen and then click on the '862' menu option.

Supplier ID:

Supplier

862

(862/DELJIT) Firm Shipping Schedule - In Basket (Create ASNs)

You will be taken to the '862 Document In Basket'. By default, open releases for All Veoneer Facilities are displayed. Note: Use the navigation buttons (arrows and page #'s) below the search results for quick and easy navigation.

Create 856

Home

The 'Create 856' button at the bottom of the screen is used to create ASN's. See the 'ASN Creation' training document for detailed instructions how to create ASNs.
